I need a room to myself. I have enclosed the \$50 fee for a separate room. (Make payable to Canyoneers)

I am traveling alone and would like to be paired with another passenger. I understand if you are able to pair me with another passenger the \$50 fee will be refunded. (Make payable to Canyoneers)

The cost of the motel for the night prior to your trip is **included** in your fare — based on 2 people per room. Please list those traveling in your group that wish to room together; otherwise we will try to pair passengers traveling alone. **If you are traveling alone or wish a room by yourself, we must collect a \$50 fee. If we are able to pair you with another passenger, we will refund the \$50 fee.** Canyoneers must provide a room list well in advance, so **please complete** the motel reservation form and **return it with your final payment.** **If we have not received your reservation request form at least 30 days prior to your trip date, we will assign you a room as we see fit.**

Passengers will be staying at the **Maswik Lodge** inside the Grand Canyon National Park South Rim. (A map is included in the trip information packet, and when you enter the park, the ranger can give you directions. Upon check-in, please identify yourself as a passenger of Canyoneers River Company.

Canyoneers will make reservations **only** for the night prior to your departure. Each room has 2 queen beds and is based on double occupancy. **Dinner that night is on your own and you should purchase items that evening also for your breakfast the following morning and snacks for your hike down to the river.**

Lodging for any other night (including the night of your return) must be reserved by you well in advance and cannot be made by Canyoneers. (The reservation number is 303-297-2757.)
